Dear Steny:

Enclosed is a letter I received from a constituent.  
[redacted] was a sub-contractor for a construction job  
done for the Central Intelligence Agency Training Center  
[redacted] He thinks, but can't be  
sure, that the contractor, [redacted] has been  
paid. As he says in his letter, he has tried various  
means to get his payment. Any help that you could give  
us concerning this matter would be most appreciated.

Sincerely,

  
Marian L. Patterson
